Membership: The Heartbeat of Our Lions Club

Membership is more than a number—it's the energy, friendships, and shared purpose that make our Lions Club thrive. Every new member brings fresh ideas, new skills, and renewed enthusiasm for service. At the same time, keeping our current members engaged ensures that experience, leadership, and Lions spirit continue to grow. The good news? Growing and retaining membership can be fun, practical, and incredibly rewarding.

Making Membership Drive Fun and Easy!

People join Lions because they want to belong and make a difference. The best membership events focus on connection first, commitment second.

Here are some simple, high-impact ideas:

· **Bring-a-Friend Service Day:** Invite friends, family, or coworkers to join a hands-on service project. No speeches—just service, smiles, and teamwork.

· **Social With a Purpose:** Host a casual event like a pizza night, coffee meetup, or backyard barbecue where members share why they became Lions.

· **Community Open House:** Set up an informal “Meet the Lions” booth at a local festival, farmers market, or school event with photos, stories, and sign-up cards.

· **Cause-Focused Events:** Tie recruitment to a global cause—vision screenings, hunger drives, or environmental cleanups naturally attract people who care.

Pro Tip: Always have a clear next step—an invitation to the next meeting or service project within two weeks.

Turning New Members Into Lifelong Lions

Recruiting is only half the story. Retention happens when members feel welcomed, valued, and involved.

Practical retention ideas include:

· **Strong First 90 Days:** Assign a mentor, explain traditions, and invite new members to help right away—even small roles matter.

· **Meaningful Involvement:** Ask members what they enjoy and align them with projects that match their interests or skills.

· **Flexible Engagement:** Not everyone can attend every meeting. Offer service projects, social events, and leadership roles with different time commitments.

· **Celebrate Often:** Recognize birthdays, service milestones, and personal achievements.

2025 MISSION TO GROW

sonal achievements. Appreciation builds loyalty.

· **Keep Meetings Engaging:** Shorter meetings, interactive discussions, and mission-focused updates keep energy high.

Membership Is Everyone's Job

The most successful clubs treat membership as a shared responsibility, not a committee assignment. When members proudly talk about their Lions experience, invite others

along, and support one another, growth happens naturally.

Ask yourself—and your club—one simple question: Would I want to join this club if I visited today? If the answer is yes, you're already on the right path. If not, small changes can make a big difference. By creating welcoming experiences, offering meaningful service, and celebrating the joy of being a Lion, we don't just grow membership—we build a stronger, more connected club for years to come.

What is a District and Club Community Impact Grant?

When a Lions Club gives \$5,000 – \$9,999.99 per the fiscal year, they will be eligible for a 15% grant from LCIF during the next year. And if they give \$10,000 – \$19,999.99 per the fiscal year, they will be eligible for a 20% grant from LCIF during the next year. If the Lions Club gives \$20,000 and above per the fiscal year, they will be eligible for a 30% grant from LCIF during the next year. The 20% and 30% grant eligibility is new this year.

We have some Lions Clubs in District 5NW that have funds currently available and they would be eligible to apply for a District and Club Community Impact Grant or DCG Grant. These amounts do not include what these Lions Clubs have given this current year.

Lions Club Eligible amounts to be able to apply for a DCG Grant

BISMARCK (3214)	\$6,704.54
BISMARCK PRAIRIE ROSE (33073)	\$3,698.64
MANDAN (3233)	\$2,051.00
MINOT MAGIC CITY (3236)	\$3,064.80
NEW ENGLAND (3238)	\$996.65

The same rules apply for the district. Also, Lions Clubs that donate less than \$5,000.00 to LCIF help to support the funds available to the district. District 5NW (65596) has \$9,647.16 available to be able to apply for a DCG Grant. Individual Lions Clubs that don't have funds available for a DCG Grant can apply directly to District 5NW for approval for their humanitarian service project.

District and Club Community Impact Grant Facts.

- DCG Grants are the only grants that an individual Lions club can apply for.
- The DCG Grant must support humanitarian service projects.

Guide to District and Club Community Impact Grant Projects.

- Determine whether to use all funding on one humanitarian service project or split it between multiple activities.

- Is there a cause your Lions Club/District already champions?
- What are existing nonprofits in your community who you volunteer with or whose work you admire? Check in with them to see if they have needs Lions can support.
- Consider this as an opportunity to bring community members into your project.

Example: If your Lions Club hosts a food packing event for a food pantry, advertise and encourage community members to volunteer alongside your Lions Club.

- The humanitarian service project that your Lions Club has decided to support with a DCG Grant must be documented in your Lions Club minutes.

Incredible Learning Opportunities

Building Our Next Generation of Lions Leaders

One of the most important responsibilities we share as Lions leaders is preparing the next generation to lead our clubs, districts, and Multiple District into the future. USA/Canada Leadership Forum

Special Invitation to 5NW Lions from DG Karen daSilva

To help inspire and develop our future leaders, I am excited to offer a new opportunity. I am sponsoring two \$1,000 grants for Lions in our District to attend the 50th Anniversary USA/Canada Lions Leadership Forum in Memphis, Tennessee, held over Labor Day weekend.

Attending the Forum in Des Moines three years ago changed the trajectory of my Lions journey. It opened my eyes to what leadership within Lions International could be—and inspired me to take the next step.

I believe the same can happen for you. Once a Lion experiences the Forum, they come home energized, more knowledgeable, and ready to serve at a higher level.

Have ever thought about getting more involved? Would you want to choose from more than 100 classes?

Do you want to hear directly from our International leadership?

Do you want the chance to talk one-on-one with Lions International staff?

The Forum is the place to grow.

Lions who have never attended a USA/Canada Leadership Forum are eligible for the district grant

ADA Camp Maverick: The Magic of Camp

ADA Camp is a lifeline for children living with diabetes, helping them build confidence, independence, and lifelong friendships while learning the skills they need to manage their health and thrive. This summer, Camp Maverick is relocating just across the Minnesota border from its previous home in North Dakota. This new location allows more campers the opportunity to experience the magic of ADA Camp and expands the range of activities available.

5NE DISTRICT GOVERNOR'S REPORT

PAULA SWANSON

swansonp816@gmail.com

As we welcomed 2026 and all the hope that a new year brings, we also had the pleasure of welcoming several new members into our Lions family. I was honored to induct new members into both the Fargo Lions Club and the Ellingdale Lions Club at the end of January. These additions move 5NE closer to a positive membership number for the year, and I couldn't be prouder! Congratulations to all the clubs across the district for your continued efforts in recruiting and meaning-

ful service this year.

Looking ahead to February and March, we are excited to share plans for our Women's Day Celebration, which will take place on April 14th in Carrington, ND. All are welcome to attend, and you'll find the official invitation included in this month's newsletter.

We are also gearing up for a fantastic Spring Rally, scheduled for April 11th in Steele, ND. More details will be coming your way next month—so

stay tuned!

This week, I'm enjoying some sunny Florida time with my boys, but I'm looking forward to jumping back into another great month of Lions activities starting next week.

5NW DISTRICT GOVERNOR'S REPORT

DG KAREN daSILVA
701.471.2204
kdasilva@bis.midco.net

While it may not officially be spring yet, I have certainly been enjoying this welcome break from the cold weather—and I hope you are too.

In the coming months, our District Leadership Team will be crisscrossing western North Dakota visiting clubs throughout the district. Truly, this is the best part of our job. Every club visit reminds us why we are so proud to be a Lion. Seeing the dedication, creativity, and impact of your service projects is both inspiring and energizing, and it reinforces just how much good we are doing together for our communities.

I am especially encouraged by the

number of clubs planning membership-focused events. Zone 5 will be hosting a Service Carnival at a local mall. The Washburn Lions are setting up a membership table at their Annual Carnival. Capital City Lions will be promoting membership during their annual basketball tournament. The Dakota Diabetes Champions will host a membership table at their first

A1C screening in Beulah, and the Dackotah Mandan Lions are planning a membership event at a local bowling alley during a tournament. These are wonderful examples of meeting people where they already are and sharing the

Lions story.

A membership event does not need to be elaborate to be effective. Consider piggybacking membership outreach onto an activity your club is already doing. Your service projects speak volumes about who you are and what you stand for. Invite community members to volunteer alongside you—and then invite them to join. Many people are simply waiting to be asked.

The District is ready to support your efforts with marketing materials, including feather flags, retractable banners, Lions tablecloths, "Hello" brochures, and membership applications.

Please reach out to me so we can ensure these items are in your hands well ahead of your event.

Thank you for being Lions. Thank you for your service, your leadership, and your commitment to making our communities stronger and better places to live.

Horace

We were able to meet Adam, who is a true inspiration! A tragic accident took his vision away, but it did not take away his phenomenal mechanical skills. Adam and his wife were located in Wyoming but wanted to relocate to Bismarck so he could begin working at Lincoln Repair! Your very own Lion Kory took this to heart and created the "blind mechanic project". Together, the Horace Lions Club and the Bismarck Lions Club made it happen. Lion Kory and his wife drove down to Wyoming to help Adam and his wife relocate to Mandan. It was so wonderful to finally meet him in person and hear his story!

Artist's sketch of the **Statue of Service**

Statue of Service Project

By Tracy Wicken

The Statue of Service is a life-size bronze monument representing the enduring commitment of North Dakota Lions to serving individuals with vision loss. For decades, Lions across the state have supported sight-related programs, services, and advocacy efforts that have improved lives locally and globally.

This statue will serve as a permanent tribute to that legacy of service.

The statue is planned for placement on the grounds of ND Vision Services/School for the Blind in Grand Forks. This location reflects the longstanding partnership between North Dakota Lions and the agency in advancing services for individuals with visual impairments.

Project Investment & Fundraising Progress

The total estimated cost of the Statue of Service Project — including the bronze statue, signage, landscaping, lighting, and electrical work — is \$210,000. To date, \$55,000 has been contributed, creating strong early momentum. In addition, the ND Lions Foundation has made a generous \$50,000 pledge, significantly advancing the project and strengthening fundraising efforts statewide.

To recognize supporters, donor levels have been established using a vision-themed structure:

- Focus – \$1,000–\$4,999
- Insight – \$5,000–\$9,999
- Clarity – \$10,000–\$19,999
- Visionary – \$20,000+

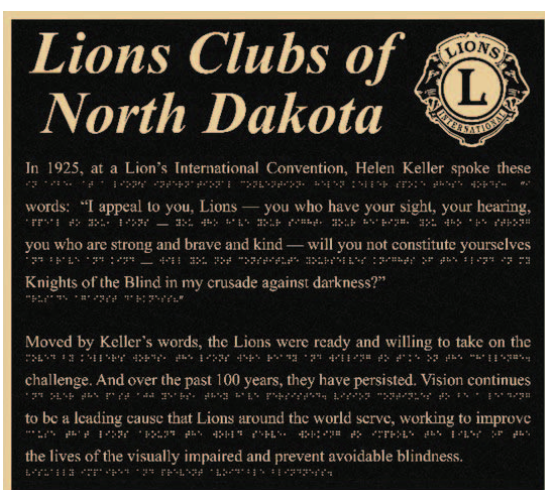

A formal process for pledges and contributions is currently being developed. Detailed information outlining how clubs and individuals may participate will be distributed to all North Dakota Lions Clubs soon. Once fundraising is complete, production and installation will begin. While this is a significant undertaking, the commitment across North Dakota Lions to bring this project to completion remains strong and unified.

An Executive Committee of Lions leaders from Grand Forks has been formed to oversee the project. This is a collaborative effort designed to reflect the collective service of all North Dakota Lions.

Together, we can ensure that our legacy of service is permanently recognized and proudly displayed for future generations.

Updates will continue as progress is made. Thank you for your partnership, and your commitment to making the Statue of Service a reality.
